**History | [www.petitpalais.com.cy](http://www.petitpalais.com.cy)**

**Reopened** in Summer 2020 after an impressive renovation. Marking, a new journey for the historical hotel, offering a completely rejuvenated modern and welcoming destination at a popular holiday retreat like Platres.

The multi-award winning **[PROPERTY GALLERY](#)** and **[Lazarou & Michael Architects](#)** inspired by the history of the hotel and Platres (1936), aimed in providing an uplifted and high-quality accommodation with services and amenities that a visitor would seek to enjoy in the beautiful Troodos green mountains. The modern interior of rooms mixed with the traditional character of the building, are blended and transitioned from the architect's drawings to the real life.

All areas have been shaped appropriately to welcome travellers all year round.

The operation and management of the Hotel is assigned to the qualified and well experienced in Hospitality Industry, the **[George Tsanos Group \(1972\)](#)**.
